

Samosas

Prep Time: 10 min **Cook Time:** 1 hr 15 min **Serves:** 24

Ingredients

Pastry

200 g plain flour

$\frac{1}{2}$ **tsp** salt

2 tbsp ghee

80–90 ml water, approximately

Filling

2 Potatoes, *boiled and mashed roughly*

$\frac{1}{2}$ **cup** frozen peas

$\frac{1}{2}$ small onion, very finely diced

1 tsp grated ginger

$\frac{1}{2}$ **tsp** ground cumin

$\frac{1}{2}$ **tsp** ground coriander

$\frac{1}{4}$ **tsp** garam masala

$\frac{1}{4}$ **tsp** chilli powder, *optional*

$\frac{1}{2}$ **tsp** salt

1 tbsp chopped coriander

1 tsp lemon juice

1 tsp oil

Flour water paste

1 tbsp flour

1.5 tbsp water

Preparation Steps

Making dough

1. Mix the flour and salt.
2. Add the oil/ghee and rub it through the flour with your fingertips for about 2–3 minutes. The flour should feel slightly crumbly and hold together when squeezed.
3. Gradually add the water, mixing until you have a firm, non-sticky dough.
4. Knead for about 5 minutes until reasonably smooth.
5. Cover and rest for 30–45 minutes. Don't skip this—the resting makes it much easier to roll thinly.

Making filling

6. Fry the onion in oil for 3–4 minutes.
7. Add ginger and spices and cook for 30 seconds.
8. Add peas and cook until just tender.
9. Stir in the potato, salt, coriander and lemon juice. The mixture should be fairly dry.
10. Cool completely.

Shape

11. Divide the dough into 12 small balls.
12. Roll each ball into a very thin circle, approximately 12–13 cm across.
13. Ideally, brush one side very lightly with oil, fold the circle in half, and roll it again slightly thinner. This gives you a nice crisp, layered pastry.
14. Cut each circle in half, giving you 24 semicircles.
15. Take one semicircle and form it into a cone by bringing the two straight edges together. Seal the overlap with a little flour-and-water paste.
16. Put in about 1 tablespoon of cooled filling.
17. Press the open edges together and seal firmly.

Cooking

18. Deep fried:
Heat oil to about 170–175°C.
Fry the samosas in batches until golden and crisp, around 3–4 minutes.
19. Alternatively in air Fryer:
put some oil in a flatish dish and roll shaped samosas around in them
cook for 15 minutes at 180C turning once
