Lemon posset

Ingredients

Lemon posset

200ml double cream

45g caster sugar

20–25ml freshly squeezed lemon juice

Zest of ½ lemon

Garnish

A few fresh raspberries

A little lemon zest

Optional small mint leaves

Preparation Steps

1. Pour cream and caster sugar into a small saucepan.

2. Place over medium heat and stir until the sugar dissolves.

3. Bring to a gentle boil, stirring regularly to prevent scorching.

4. Once gently boiling, continue cooking for 3 minutes. Keep stirring and ensure it doesn't boil over.

5. Remove from the heat.

6. Allow to cool for 2 minutes.

7. Add lemon juice gradually, stirring well.

8. Add lemon zest.

9. Strain through a fine sieve if you want an especially smooth texture.

10. Pour into two small serving glasses or ramekins.

11. Allow to cool to room temperature.

12. Cover and refrigerate for at least 4 hours, preferably overnight.

13. Before serving, garnish with fresh raspberries and a little lemon zest.
