Mini Banoffee Tartlets

Ingredients

Pastry

120g plain flour

60g unsalted butter, *cold, cubed*

25g icing sugar

1 egg yolk

1–2 tsp cold water

Pinch of salt

Caramel filling

75g caster sugar

1 tbsp water

35g unsalted butter, *cubed*

60ml double cream, *warmed*

Pinch of salt

Topping

1 small banana

80ml double cream

1 tsp icing sugar

½ tsp vanilla extract

A little dark chocolate, *grated*

Preparation Steps

Shortcrust pastry

1. Combine flour, icing sugar and salt in a bowl.

2. Add cold butter and rub into the flour using your fingertips until the mixture resembles fine breadcrumbs.

3. Add egg yolk and 1 tsp cold water.

4. Mix until the dough just comes together. Add the remaining water if necessary.

5. Shape into a flat disc, wrap and refrigerate for 30 minutes.

6. Lightly flour your work surface and roll the pastry to approximately 3mm thick.

7. Cut out circles slightly larger than your tartlet tins.

8. Gently press the pastry into four small tartlet tins, ensuring it reaches the edges.

9. Trim excess pastry.

10. Prick the bases with a fork and refrigerate for another 15 minutes.

11. Preheat oven to 180°C conventional or 160°C fan.

12. Line each pastry shell with baking paper and fill with baking weights or dried beans.

13. Bake for 12 minutes.

14. Remove weights and paper.

15. Bake for another 5–8 minutes until the bases are golden and completely cooked.

16. Allow to cool completely before filling.

Homemade caramel

17. Place sugar and water in a small, heavy-based saucepan.

18. Heat over medium heat without stirring. Gently swirl the pan if necessary.

19. Allow the sugar to dissolve and turn a deep golden amber colour.

20. Remove from the heat.

21. Carefully add the butter, stirring until melted. The mixture will bubble vigorously.

22. Slowly pour in the warm cream while stirring continuously.

23. Return to low heat and stir until smooth.

24. Add a pinch of salt.

25. Allow to cool until thick but still spoonable.

Assembly

26. Spoon caramel into the cooled pastry shells, filling each approximately two-thirds full.

27. Refrigerate for 30–60 minutes until the caramel has firmed up.

28. Slice the banana into thin rounds.

29. Whip the cream with icing sugar and vanilla until soft peaks form.

30. Arrange banana slices over the caramel.

31. Pipe or spoon whipped cream on top.

32. Finish with grated dark chocolate.

33. Refrigerate until serving.
