

Prosciutto-Wrapped Carrot & Pear

Ingredients

- 1 pear
- 1 carrot
- 120g prosciutto
- 15 mL olive oil
- ½ tsp freshly ground black pepper

Preparation Steps

1. Preheat the oven to 200°C (180°C fan-forced). Line a baking tray with baking paper.
2. Slice carrots and pears into strips.
3. Wrap one slice of prosciutto around the middle of each bundle, overlapping the ends slightly so it stays in place.
4. Arrange the bundles in a single layer on the prepared baking tray, leaving a little space between each one.
5. Drizzle the olive oil evenly over the bundles. If needed, use a pastry brush to lightly coat the exposed asparagus.
6. Sprinkle with the black pepper. The prosciutto is naturally salty, so additional salt is usually unnecessary.
7. Bake for 12–15 minutes, or until the prosciutto is crisp and the asparagus is just tender when pierced with a fork.
8. Remove from the oven and let the bundles rest for 2 minutes before serving.
