

Whipped Feta with Pistachio Dukkah

Ingredients

Whipped feta

200 g feta, crumbled

100 g cream cheese, *softened*

60 g Greek yoghurt

1 tbsp extra virgin olive oil

1 tsp lemon juice

½ tsp lemon zest

1 small garlic clove

Freshly ground black pepper

Pistachio dukkah

50 g shelled pistachios

20 g sesame seeds

1 tsp coriander seeds

1 tsp cumin seeds

½ tsp fennel seeds

½ tsp black peppercorns

½ tsp flaky sea salt

To finish

1–2 tbsp extra virgin olive oil

1 tsp runny honey (optional, but highly recommended)

Fresh thyme leaves or chopped parsley

Crostini, crackers, or toasted sourdough for serving

Preparation Steps

Make the dukkah

1. Heat a dry frying pan over medium heat.
2. Toast the pistachios for 3–4 minutes until fragrant.
3. Add the sesame seeds, coriander, cumin and fennel seeds and toast for another 1–2 minutes, stirring constantly.
4. Transfer everything to a mortar and allow to cool for a few minutes.
5. Add the peppercorns and salt.
6. Pound with the pestle until you have a coarse, crunchy mixture—not a powder.

Make the whipped feta

- 7.** Blend the feta, cream cheese, Greek yoghurt, olive oil, lemon juice, zest, garlic and a little black pepper until completely smooth and fluffy.
- 8.** Taste and adjust with more lemon if desired.
- 9.** (If you don't have a food processor, mash everything thoroughly with a fork and whisk until light.)

Assemble

- 10.** Spread the whipped feta onto a serving plate with the back of a spoon to create swirls.
- 11.** Scatter the pistachio dukkah generously over the top.
- 12.** Drizzle with olive oil.
- 13.** Add a light drizzle of honey if using.
- 14.** Finish with fresh thyme or parsley.
- 15.** Serve with toasted baguette slices, artisan crackers, or warm sourdough.
